## Prevent Strategy, Risk Assessment & Action Plan

### Overview

The College of Health is a small specialist provider of Chiropractic education through the McTimoney College of Chiropractic. The McTimoney College was formerly part of BPP University and became part of the College of Health in April 2021 which included the transfer of some 300 full and part time students. Its main teaching centre is in Abingdon, outside Oxford, together with a satellite centre in Central Manchester. The student body comprises a mixture of full and part time domestic students together with a small cohort of international students.

### The Prevent Duty

#### Introduction

1. The Counter-Terrorism and Security Act 2015 seeks to place a duty (the Prevent Duty) on specified authorities including schools, colleges and universities to 'have due regard, in the exercise of its functions, to the need to prevent people from being drawn into terrorism'. The Act covers all forms of terrorism, including far right extremism and some aspects of non-violent extremism.
2. The Prevent Duty seeks to:
  - Combat the ideological threat of terrorism
  - Provide practical help to prevent people from being drawn into terrorism and ensure they are given appropriate advice and support.
  - Work with a wide range of sectors (including education, criminal justice, faith, charities, online and health) to prevent radicalisation.
3. The College promotes a culture of safety and respect for its students, staff, management, the Governing Body Board of Directors and visitors. As part of this ethos the College has considered the Prevent Duty and the importance of collaborative working between College staff, local authorities, police, other educational institutions, policy makers and health providers to safeguard its students and staff.
4. The Prevent Duty requires higher education institutions to:
  - **Governing Body Board of Directors Oversight:** Ensure the Governing Body Board of Directors maintains oversight of the approach to Prevent through standing agenda items on the College's Governing Body Board of Directors, the Academic Council and the Management Committee meetings;
  - **Partnership:** Work in partnership with government bodies, the police, BIS and prevent coordinators as well as local community representatives and support services;

- **Risk Assessment & Action Plan:** Have in place an action plan to mitigate identified risks and perform, as a minimum, an annual update of the College's Prevent Risk Assessment and associated Action Plan to coincide with the annual OfS Prevent return;
- **Staff & Student Training:** Have in place staff & student training to raise awareness of the Prevent Duty and to enable them to support students;
- **Events:** Have policies in place to safeguard College facilitated events which involve an external speaker;
- **Support:** Provide Welfare, pastoral and student support where required.
- **IT:** Ensure adherence to the College's Acceptable Use IT Policy for the use of information technology by students, staff and visitors and for the use of research in curriculum areas.
- **Review:** Have in place appropriate measures to regularly review the approach to the Prevent Strategy at least annually

## Objectives

5. The Objectives of the College's Prevent Strategy are to:
  - Set a strategy, objectives and an action plan to achieve the Prevent Duty.
  - Promote, implement and monitor the College's responsibilities under the Prevent Duty.
  - Have due regard to the College's responsibilities under its Freedom of Expression Policy and its Academic Freedom Policy.
  - Ensure student and staff safety.
  - Ensure that the College promotes a culture of non-bullying, non-harassment and nondiscrimination.
  - Provide support for students who may be at risk, and develop appropriate sources of advice and guidance.
  - Ensure that students and staff are aware of their roles and responsibilities in preventing violent extremism and radicalisation.

## Systems

6. The College recognises that the prevention of radicalisation is best placed within the wider welfare policies and procedures of the College. In doing so the information that may indicate that a person has become subject to radicalisation may best be collated and evaluated.

## Prevent Safeguarding Ethos

7. The College is committed to safeguarding its learners and staff and aims to protect children and adults at risk from abuse and harm. The College's ethos is to ensure the welfare and

safety of staff, students and visitors to the College.

8. The College has a statutory and moral duty to ensure that the College functions with a view to safeguarding and promoting the welfare of children and adults whilst receiving education and training at the College.
9. The Governing Body Board of Directors recognises that some adults are also vulnerable to abuse. Therefore, the College's safeguarding and child protection procedures may be applied (with appropriate adaptations) to allegations of abuse and to the protection of adults at risk as well as children.
10. The Prevent Strategy sits alongside the Safeguarding Policy and procedures of the College.
11. The College will engage with external agencies to ensure that it is well informed about the Prevent agenda at both a local and national level.

### **Governing Body Board of Directors & Senior Management Oversight**

12. The Governing Body will retain close oversight and monitoring of the College's Prevent strategy
13. The Executive owner for the Prevent Strategy is the Chief Operating Officer, Matt Green whose responsibility includes maintaining links with external partners.
14. The ongoing progress with implementing the College's Prevent strategy will be monitored through a standing agenda item on the Governing Body Board of Directors, the Academic Council, the Management Committee and the Staff Student Experience Committee

### **Students**

15. Students will be engaged with regularly and receive regular training and information in order to inform them of, and raise their awareness of, the Prevent agenda as part of their induction and ongoing support. This will be coordinated by the Prevent Lead at the College. This is will be reinforced by the safeguarding lead and through the Welfare, Pastoral and Student Support provided to students.
16. Information of the Prevent Agenda and Duty will be promoted to students by inclusion in:
  - Curriculum offer, lesson planning and schemes of work
  - Posters
  - Prevent policy and procedures

- On line induction information
- Training and development sessions

**Staff**

17. Staff will receive awareness training and guidance on how to deal with:

- Inappropriate material and behaviours
- Disclosures by learners about their exposure to extremist actions, views or materials
- Accessing extremist material on line
- Parental or peer concerns
- Intolerance of difference
- Anti-Western or Anti-British views

18. The College will ensure that all staff are familiar with the Prevent agenda, are able to understand how they can recognise indicative behaviours in students and colleagues and are aware of the course of action to take if they are concerned.

19. Members of the Governing Body Board of Directors and Academic Council receive updates on safeguarding and child protection matters which include the Prevent agenda. Directors take a proactive role in the Prevent Strategy and receive training and regular reports from the Prevent Lead.

**Welfare, Pastoral & Student Support**

20. The College offers a wide range of Welfare, Pastoral and Student Support to students through a wide range of support mechanisms which include a Personal Tutor system, Student Representative network, Student Support function, Learning Resource function and access to a counselor.

21. Staff and students are reminded that they can seek more information regarding the range of Welfare, Pastoral & Student Support available by contacting the College's Student Support Team.

22. Whilst the College does not have dedicated chaplaincy provision, staff and students are able to make use of a quiet space prayer and reflection at our Abingdon centre and are signposted to local facilities at our Manchester centre.

## IT Acceptable Use

23. The College expects all users of its IT provision and network, including students, staff and visitors to adhere to the College's IT Acceptable Use policy which includes reference to Prevent

## Events Involving External Speakers

24. The College may from time-to-time host events which involve external speakers which can be

- Onsite events
- Offsite events
- Online events

25. In each case of an event involving an external speaker, the staff member responsible for coordinating the event must follow the External Event Speaker Policy procedure, as laid out in the College's Governance & Academic Regulations Handbook, to seek the necessary permissions. Details of this policy and the forms for completion are available on the College website.

## Partnership

26. The College will continue to develop links with external partners in order to remain aware of developments within the Prevent, safeguarding and child protection arena.

27. Links with relevant external agencies will be further developed through the College Prevent Lead

## Internal Referral Procedure

28. College staff should be aware of signs of radicalisation and have the confidence to report their concerns to their Line Manager.

29. The line manager should then inform the College Prevent Lead, who will discuss the matter with other Senior Managers and external agencies as necessary.

**College Prevent Lead & Executive Owner:** Matt Green

**Contact Number:** 07411 183702

**Contact Email:** prevent@collegeofhealth.uk

30. The College Prevent Lead will decide what action is necessary which will include a discussion with the College's DfE Regional Prevent Co-Ordinator and the Local Authority. This discussion may be for advice purposes or for a referral.

31. In the event of an emergency where there is an immediate risk of harm, staff should call 999 together with informing the onsite Facilities Team.

## External Referral Procedure

Reporting a concern: If you are concerned about any adult or child who you think may be vulnerable to being drawn into extremist activity, please report your concern to the Prevent team at Oxfordshire County Council:

Call 0345 050 7666

For adults, ask for the Social and Healthcare Team

For children, ask for Oxfordshire Multi-Agency Safeguarding Hub (MASH) Any concerns that are brought to the Prevent Lead, or a member of the College's Safeguarding Team will be considered and, where appropriate, reported under the CHANNEL procedure.

32. The Police Authority has a CHANNEL procedure in place. The Police CHANNEL procedure is a partnership focused structure aimed at supporting those most at risk of being drawn into violent extremism, diverting people away from potential threat at an early stage, which prevents them from being drawn into criminal activity.
33. Partnership involvement ensures that vulnerable individuals have access to a wide range of support from diversionary activities through to providing access to specific services such as education, housing and employment. Each multi-agency panel varies according to local circumstances but partners (who are all signed up to an Information Sharing Protocol) can include:
- Statutory partners such as education, NHS, probation, housing and the police service
  - Social Care
  - Children's services (e.g., Common Assessment Framework coordinators)
  - Youth offending services
  - Credible and reliable members of the community
34. The College will engage in the CHANNEL process as necessary and will contact the Prevent contact should it have any concerns about a student, member of staff or visitor.
